The *Handbook of Feed Additives* is published annually and is a comprehensive compendium of additives administered to livestock via the feed and drinking water.

Handbook of Feed Additives is an essential reference for all feed and supplement manufacturers, veterinary surgeons and farmers who include additives in their feeds. The 2010 edition features 183 products: medicinals, coccidiostats, enzymes, micro-organism products, acidifiers, antioxidants, preservatives, pigmentsers, vitamins and other additives – of these 44 are new to the book and 27 significantly amended since the 2009 edition.

To order *Handbook of Feed Additives 2010*, published in February, simply complete the order form below and return to the above office with a cheque or instruction to debit your credit card.
